

Boats and/or Companies Authorized by SEMARNAT to do Whale Watching activities in Banderas Bay, Jalisco-Nayarit, from December 8, 2009 to March 23, 2010

This year SEMARNAT gave out **white flags with SEMARNAT logo and a humpback whale**, so you can easily identify the boats authorized to do whale watching activities. If the boat does NOT have this flag it means they don't have a whale watching permit.
