in hell

Alyn,

If you receive this letter it was given to a Buddhist Monk who came to this hell I am existing at. They are from North Carolina.

I don't deserve to be here. This is a nightmare. My dreams are of death & suicide. I weigh 90 lbs and have had to be shackled & handcuffed to a bed & forced intravenous into veins that collapse.

My now 4th set of lawyers with the help of 2 Canadians who have tried to extort 60,000 USD from my 70 year old

mother. They told
her that if ~~she~~ wanted
to see me alive &
free she must pay
OF COURSE she
cannot.

1st set of lawyers
stole over 10,000 usd

2nd lawyer a stupid
Court appointed

3rd a Real Estate
lawyer that was forced
upon me by some
go gooders from Chapala
who treated me like
their pet project.

I need financial help
Alyn so that I can
secure someone who
is capable of saving
what is left of my life
The courts have not
separated my case from
Rebecca's and

hopefully GOD will
intercede with the
help of a good criminal
attorney in securing
me sentencing separately
and not with Rebecca.

I have no money. I
have lost everything
I have worked hard
for since being terminated
by my employment
with you. The most important
MY FREEDOM.

I don't deserve this
Alynn and I need
help, at least 40-50

You know how to reach
my ex Donny.

I hope your conscience
will do the right thing.

Sentencing in the next 2-3
months. Suicide if not freed

I have been beaten,
threatened death, robbed
& no one does anything.

I can't accept what
is happening to me
& have lost the spirit
to live.

PLEASE HELP
ME, YOU OWE
ME YOUR HELP.

I am begging
for you to help
save my life.

I have no visitors
I am alone &
desperate
