Everyday the internet is increasing its advertising share relative to TV, radio, magazine and newspapers. Internet marketing is the fastest growing advertising media. Today's consumers are internet savvy and will continue to migrate to the internet to make purchasing decisions.

Since the last economic downturn, BanderasNews.com has uniquely postured itself as a global powerhouse in reaching out to an ever-growing audience that seeks info about our city and our country - and has built up the trust and confidence of the tens of thousands of people from around the world who visit our pages every month. As the ONLY multi-media source in Puerto Vallarta that offers comprehensive advertising solutions, BanderasNews ad packages combine (Client supplied) information, videos, photos and press releases to give your business the worldwide online exposure it deserves - 24 hours a day, 7 days a week, 365 days a year.

Furthermore, advertising on BanderasNews can enhance your Search Engine Optimization efforts, delivering faster and more effective results than SEO campaigns that do not take advantage of the world-wide exposure that advertising on BanderasNews.com offers.

All annual advertising prices are in Pesos (IVA **NOT** included). Once you have decided on a program best for your organization, an advertising agreement will be drafted. Prior to work commencing a 50% deposit must be paid with the balance due within 6 months of the signing of the contract.
